*The 2024 Workshop for Senior Administrators will offer the opportunity for senior administrators at church-related colleges and universities to consider how their undergraduates understand and experience spiritual and intellectual formation. The centerpiece of the workshop will be a report and analysis of a first-of-its kind ecumenical survey of schools in the Lilly Network of Church-Related Colleges and Universities conducted by Springtide Research Institute in fall 2023. Participants will engage these findings at a strategic level and think through and discuss how to design curricular, faculty development, religious, and student life programs in response.*

**The Workshop is offered at no cost to senior administrators at Lilly Network member institutions. Each institution is eligible to register one senior administrator (president, vice president, academic dean, provost, or equivalent). One participant from each school will be reimbursed for travel costs up to \$600. Meals and hotel accommodations will also be paid by the Lilly Network of Church-Related Colleges and Universities. Additional participants from member schools will be waitlisted until August 13, 2024 and will be enrolled as slots become available.**

The Workshop will begin with 11:00 am registration on Thursday, September 26, 2024  
and end by 1:00 pm on Friday, September 27, 2024.
